Hi guys,

I am working on draft responses to these, but just want to give you a heads up. The reporter told me in a VM that he will be running this story tomorrow.

Give me a call if you'd like to discuss,  
John

Hi John,

Here are my questions.

I can take answers over the phone or email today. It would be of great help.

Thanks,  
Bryan Llenas

- 1) <!--[if !supportLists]--><!--[endif]-->The state is blaming the EPA/feds. Is it of the opinion of the EPA that the state of New York acted accordingly/swiftly to deal with the Hoosick Falls water crisis?
- 2) <!--[if !supportLists]--><!--[endif]-->When was the EPA officially made aware about the PFOA issue in Hoosick Falls?
- 3) <!--[if !supportLists]--><!--[endif]-->Why did the EPA issue a Do Not Drink order in Hoosick Falls in December of 2015 – and not sooner?
- 4) <!--[if !supportLists]--><!--[endif]-->Was this Do Not Drink order the of an unregulated chemical – the first of its kind ever issued?
- 5) <!--[if !supportLists]--><!--[endif]-->Residents are upset that there was a delay of over a year in telling them not to drink the water....why was there a delay in issuing the Do Not Drink order?
- 6) <!--[if !supportLists]--><!--[endif]-->Why was the health advisory changed from 400 ppt to 70 ppt specifically for Hoosick Falls only?

Hi John,

Do you have any time in the next hour or so to talk with me over the phone in regards to Hoosick Falls?

I have some unanswered questions for the EPA.

Hi Bryan,

Here is the federal government's FOIA database:

<https://foiaonline.regulations.gov/foia/action/public/home>

The most comprehensive FOIA request we've received can be searched by using the following tracking number: EPA-R2-2016-003396

Since then, there have been some other FOIA requests. These can be found by entering the following terms in the search field:

\*Hoosick Falls

\*St Gobain

\*Saint Gobain

\*HF

Let me know if you have any questions.

John
